# Services

We offer basic and comprehensive hearing assessments for individuals, workplaces and groups.

## Basic Assessment

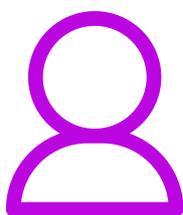

A simple, 15 minute hearing screening. This will identify any hearing issues that may require a complete assessment.

**PGK30**

## Complete Assessment

A comprehensive, 1 hour diagnostic screening. Testing of otoscopy, tympanometry and pure tone audiometry. A full report will be provided.

**PGK100**

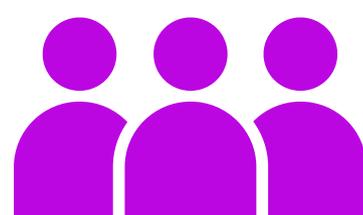

### Individual

From small children to the elderly. Visit us at our inclusive clinic in Port Moresby.

### Workplace

Industrial hearing screening at your workplace. A minimum of 10 people. Full report provided.

### Group

Visit our clinic together. A minimum of 10 people. Full report provided.
